

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1235

March 20, 2015

SUMMARY OF BILL: Redefines “age-restricted venue” in statute with regards to the *Non-Smoker Protection Act*. Allows any employee, vendor, service provider, or performer, being under 21 years of age, access into any age-restricted venue.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Department of Health is required to enforce the provisions provided in the *Non-Smoker Protections Act*. Enforcement includes inspection of age-restricted venues.
- Based on information provided by the Department of Health, this legislation will have very little impact on the administration of the inspection program since during inspections of age-restricted venues, the environmental health specialists already determine whether managers have a mechanism to determine whether persons entering the establishment are 21 years of age or older. Such mechanism will no longer apply to employees, vendors, service providers, or performers of the age-restricted venue.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
